

**Defense Nuclear Facilities
Safety Board**

**Report to Congress on Acquisitions Made from Manufacturer
Inside and Outside the United States Fiscal Year (FY) 2004**

1. Dollar value of any article, material or supplies purchased that were manufactured outside of the U.S. in FY 04:

<u>Item Purchased</u>	<u>Dollar Value</u>
None	\$0

2. Itemized list of all waivers granted with respect to above items under the Buy American Act in FY 04 (include a brief description of the waiver granted and why it was granted):

No waivers granted.

3. Summary of total procurement funds spent on goods manufactured inside the U.S. versus funds spent on goods manufactured outside the U.S.*:

Total procurement funds spent on goods manufactured inside the U.S. in FY 04:

\$358,736

Total procurement funds spent on goods manufactured outside the U.S. in FY 04:

\$0

*\$126,497 of the \$358,736 was for procurement from domestic vendors using micro-purchase (under \$2,500) procedures. The remaining amount (\$232,239) was purchased under other agency contracts such as Federal Supply Schedule contracts issued by the General Services Administration (GSA) for which the other agency (i.e., GSA) has the responsibility of ensuring all supplies included under the contract meet the requirements of the Buy American Act.
