The Honorable Anne Marie White  
Assistant Secretary for Environmental Management  
U.S. Department of Energy  
1000 Independence Avenue, SW  
Washington, DC 20585-1000

Dear Ms. White:

The Defense Nuclear Facilities Safety Board will hold a public hearing to discuss the safety of waste processing and storage at defense nuclear facilities. The public hearing is scheduled for May 22, 2019, at the Board's Washington, DC, headquarters.

We invite you to provide opening remarks at the hearing on the Department of Energy's actions to strengthen the safety posture of solid nuclear waste operations. The format for this hearing also will include you or your designee responding to questions from Board members. The Board will post the agenda for the public hearing on its web page, <http://www.dnfsb.gov>, and may update the agenda as it finalizes hearing preparations. The Board will keep you apprised of any changes or updates.

The Board looks forward to your participation. Please contact Mr. Timothy Dwyer (202-694-7148) or Mr. Christopher Roscetti (202-694-7169) should you have any questions or to make necessary arrangements for your attendance.

Yours truly,

Bruce Hamilton
