

## **DEFENSE NUCLEAR FACILITIES SAFETY BOARD**

Washington, DC 20004-2901

October 10, 2024

Re: Nonpublic Collaborative Discussion held pursuant to Section 313 of the Atomic Energy Act of 1954, as amended

Present: Joyce Connery, Chair  
Thomas Summers, Vice Chair  
Dr. Patricia Lee, Board Member  
Mary Buhler, Executive Director of Operations  
Katherine Herrera, Deputy Executive Director of Operations  
Joseph Gilman, Acting General Counsel

Topic: Board deliberations regarding the FY 2025 Work Plan

Summary of matters and key issues discussed, prepared by Acting General Counsel Joseph Gilman:

On October 10, 2024, the Board held a nonpublic collaborative discussion concerning the Agency's Fiscal Year 2025 Work Plan. Key issues discussed by the Board included (1) the scope and content of the FY 2025 Work Plan, (2) the prioritization of agency work, and (3) the agency's work planning processes.
